LIFT - Literacy Instruction for Texas was founded in 1961 to enhance lives and strengthen communities by raising the adult literacy rate in the DFW Metroplex. The free English-as-a-Second Language Literacy and Adult Basic Literacy classes are offered at thirty nine locations in Dallas and the Metroplex. In 2008, over 7,000 students were served and LIFT averaged 150 free classes a week! **

The Vance C. Miller, Jr. Classical Guitar Scholarship was established in 1998 by a gift from Henry S. Miller, Jr. and Juanita Miller. The scholarship provides funding for undergraduate and graduate students studying classical guitar in the Meadows School of the Arts at Southern Methodist University in Dallas, Texas. The recipients are chosen by faculty recommendation of students who exhibit outstanding artistic ability on the classical guitar.

** Just a reminder last years letter for this event; LIFT had twenty locations, over 6,000 students were served and averaged 127 free classes a week! Your contributions do help make a difference, each year these numbers increase! Thank you again.

Hope to see you there,

Vance and Tincy Miller
